

The Children's Institute

Amazing Kids. Amazing Place.

Therapy Services at Bridgeville at The Children's Institute of Pittsburgh

There simply is no place like The Children's Institute of Pittsburgh. We are the [region's most comprehensive provider](#) of care for children with special and orthopedic needs.

We are committed to providing high quality, effective therapy services for children. We continually advance our treatment methods—by using new techniques, as well as new technology—to produce better therapeutic interventions for children. Quite simply, The Children's Institute is your best choice for outpatient pediatric rehabilitation.

Our treatment plans are personalized and family-centered. Because we know that the key to long-term success is family participation and understanding, we focus on the needs of the patients and their caregivers. We incorporate families into our therapy sessions, promoting understanding, a sense of collaboration, and confidence. In our experience, this approach is key to our patients reaching their maximum potential and living the most fulfilling lives possible.
