## **STREET DRUGS**

### **TOPIC FOR JUNE GRAND ROUNDS AT THE CHILDREN'S INSTITUTE**

SQUIRREL HILL – The Children's Institute invites the public to Pediatric Rehabilitation Grand Rounds on Wednesday, June 13 at the Squirrel Hill campus. The scheduled topic is "Street Drugs." Registration and continental breakfast will begin at 7:30 a.m. followed by the Grand Rounds presentation at 8:00 a.m.

State Trooper Aaron Borello, Pennsylvania State Police, will present a first hand account of dealing with the dangers and risks of street drugs. He also will provide valuable information about which harmful drugs are currently available on local streets.

There is no cost to attend Grand Rounds, and no advance registration is required. Continuing Medical Education units are available. For more information, please contact The Children's Institute at: 412-420-2400.

*The Children's Institute is an independent, licensed nonprofit organization that provides a comprehensive approach to pediatric rehabilitation: The Hospital, The Day School and Project STAR. The Hospital includes an 82-bed inpatient unit and numerous outpatient rehabilitation services for children and young adults. The Day School is an Approved Private School for children ages 2 to 21 who are challenged by complex disabilities, including autism, cerebral palsy and/or neurological impairment. Project STAR promotes the right of all children, especially those with physical, emotional and intellectual disabilities, to grow in a safe, nurturing, lasting family.*
