## Do Something Amazing

Giving to the Annual Fund at The Children's Institute means giving where it's needed most. Your unrestricted gift may help The Day School create an individualized education program for a child with autism. Or help a child find a loving home through the services provided by Project STAR. Or it may allow a child to receive the rehabilitation care that will allow him or her to walk, talk or even smile again. But we can't do it without the support of generous donors like you. Your gift will help us to continue providing care, regardless of a family's ability to pay.

Give an amazing gift to help create an amazing future for these children and their families.

## Artur's Amazing Story

Born in Brazil with a rare and potentially fatal metabolic disorder, Artur's parents sold their home and possessions to bring him to Pittsburgh for a lifesaving liver transplant. Additional treatments required repeat hospitalizations, and after each, Artur received extensive rehabilitation services at The Children's Institute. With three inpatient stays totaling ten months, Artur's needs quickly outpaced the family's savings. But after his first inpatient stay, all of Artur's rehabilitation services have been provided at no cost to the family. And today he's doing amazingly well, thanks to donors like you.

You can help change the life of an amazing child, like Artur, with a gift to The Children's Institute.
